

BROMPTON OIL & GAS INCOME FUND DECLARES DISTRIBUTIONS

Toronto, October 20, 2009 – (TSX: OGF.UN) Brompton Oil & Gas Income Fund announces the distribution rate of \$0.035 per unit for record dates in October, November and December 2009. This reflects a reduction from the previous monthly rate of \$0.04 per unit. Among the reasons for the reduction were distribution cuts or conversions to corporate structures by certain income trusts in the portfolio over the past eight months and a greater portfolio weighting to dividend-paying equities. The new distribution level of \$0.42 per annum represents an attractive yield of 9.1% based on the October 19, 2009 closing market price.
