

## **BROMPTON OIL & GAS INCOME FUND ANNOUNCES WARRANTS OFFERING**

**Toronto, October 23, 2009 – (TSX: OGF.UN)** Brompton Oil & Gas Income Fund is pleased to announce that it has filed a preliminary prospectus for an offering of warrants to unitholders of the Fund. Each unitholder will receive one-half of a warrant for each unit held on a record date which will be determined upon filing of the final prospectus.

One whole warrant will entitle the holder to purchase a unit upon payment of the subscription price, which will be determined as the lesser of: (i) \$4.94 (which is the sum of (a) the most recently calculated NAV per unit prior to the date hereof and (b) the estimated per unit fees and expenses of the offering) and (ii) the most recently calculated NAV per unit prior to the date of filing the final prospectus plus the estimated per unit fees and expenses of the offering. The Fund has applied to list the warrants and the units issuable on the exercise thereof on the TSX.

Successful completion of the offering will provide the Fund with additional capital that can be used to take advantage of attractive investment opportunities, and it is also expected to increase the trading liquidity of the units and reduce the ongoing management expense ratio of the Fund.
