Founded in 2000, Brompton is an experienced investment fund manager with income focused investment solutions including exchange-traded funds (ETFs) and other TSX traded investment funds. Our funds are designed to address investors' cash flow requirements and to provide them with value-added diversification strategies. Since inception, Brompton has paid out over \$3.0 billion in distributions. For those investors that do not require the regular cash flow, our funds also offer commission-free distribution reinvestment plans for additional units in the funds. For the level of service provided, our funds are known for their low management fees and costs.
