**Portfolio Manager and Manager**

Brompton Funds Limited

**Laura Lau, BAsC (Hons), CFA, DMS**  
 Senior Vice President and Chief Investment Officer

**Michael Clare, BComm (Hons), CPA CA, CFA**  
 Vice President and Portfolio Manager

Founded in 2000, Brompton is an experienced investment fund manager with income focused investment solutions including TSX traded closed-end funds and exchange-traded funds.

**WHY INVEST?**

- Approximately equal-weight portfolio of at least 15 large-capitalization North American oil and gas companies
- Focus is primarily on large capitalization issuers with significant exposure to a potential rebound in oil prices
- Portfolio securities are S&P/TSX Composite Index or S&P 500 Index constituents.
- Potential for capital appreciation for Class A shares due to leveraged exposure to the Portfolio
- Distributions:
  - Preferred Shares - Target of \$0.50 p.a.; \$2.88 dividends declared since inception
  - Class A Shares - Target of \$1.20 p.a.<sup>3</sup>; \$3.22 distributions declared since inception

**INVESTMENT OBJECTIVES**

To provide holders of Preferred shares with fixed cumulative preferential quarterly cash distributions and to return the original issue price on the maturity date.

To provide holders of Class A shares with regular monthly cash distributions<sup>3</sup> and the opportunity for capital appreciation.

You will usually pay brokerage fees to your dealer if you purchase or sell shares of the Fund on the Toronto Stock Exchange or other alternative Canadian trading system (an "exchange"). If the units are purchased or sold on an exchange, investors may pay more than the current net asset value when buying shares of the investment fund and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning shares of an investment fund. An investment fund must prepare disclosure documents that contain key information about the Fund. You can find more detailed information about the Fund in the public filings available at [www.sedar.com](http://www.sedar.com). The indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all distributions and do not take into account certain fees such as redemption costs or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.

Certain statements contained in this document constitute forward-looking information within the meaning of Canadian securities laws. Forward-looking information may relate to matters disclosed in this document and to other matters identified in public filings relating to the Fund, to the future outlook of the Fund and anticipated events or results and may include statements regarding the future financial performance of the Fund. In some cases, forward-looking information can be identified by terms such as "may", "will", "should", "expect", "plan", "anticipate", "believe", "intend", "estimate", "predict", "potential", "continue" or other similar expressions concerning matters that are not historical facts. Actual results may vary from such forward-looking information. Investors should not place undue reliance on forward-looking statements. These forward-looking statements are made as of the date hereof and we assume no obligation to update or revise them to reflect new events or circumstances.
