Sub-Advisor

Symphony Asset Management LLC manages approximately US\$13.4 billion in senior loans and has approximately US\$15.4 billion in total assets under management, as at September 30, 2020. Symphony is a wholly-owned subsidiary of Nuveen Investments Inc.

Manager

Founded in 2000, Brompton is an experienced investment fund manager with income focused investment solutions including TSX traded closed-end funds and exchange-traded funds.

WHY INVEST?

- High level of capital preservation as Senior Loans have first priority of repayment and are secured by the issuer's assets
- Low interest rate risk as the floating rate coupons on Senior Loans protect investors from capital loss when interest rates rise
- Senior Loan Index has had positive returns in 26 of the past 28 years²
- Experienced, Sub-Advisor Symphony Asset Management has US\$13.4bn Senior Loan AUM

INVESTMENT OBJECTIVES

- Provide monthly distributions, and
- Preserve capital.

The Fund was created to invest in an actively managed, diversified portfolio consisting primarily of short-duration floating rate senior corporate instruments, including senior loans and other senior debt obligations of North American non-investment grade corporate borrowers.

This document is for information purposes only and does not constitute an offer to sell or a solicitation to buy the securities referred to herein. The opinions contained in this report are solely those of Brompton Funds Limited ("BFL") and are subject to change without notice. BFL makes every effort to ensure that the information has been derived from sources believed to be reliable and accurate. However, BFL assumes no responsibility for any losses or damages, whether direct or indirect which arise from the use of this information. BFL is under no obligation to update the information contained herein. The information should not be regarded as a substitute for the exercise of your own judgment. Please read the Fund's annual information form before investing.

You will usually pay brokerage fees to your dealer if you purchase or sell units of the Fund on the Toronto Stock Exchange or alternative Canadian trading system (an "exchange"). If the units are purchased or sold on an exchange, investors may pay more than the current net asset value when buying units of the investment fund and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning units of an investment fund. An investment fund must prepare disclosure documents that contain key information about the Fund. You can find more detailed information about the Fund in these documents. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account certain fees such as redemption costs or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.

Certain statements contained in this document constitute forward-looking information within the meaning of Canadian securities laws. Forward-looking information may relate to matters disclosed in this document and to other matters identified in public filings relating to the Fund, to the future outlook of the Fund and anticipated events or results and may include statements regarding the future financial performance of the Fund. In some cases, forward-looking information can be identified by terms such as "may", "will", "should", "expect", "plan", "anticipate", "believe", "intend", "estimate", "predict", "potential", "continue" or other similar expressions concerning matters that are not historical facts. Actual results may vary from such forward-looking information. Investors should not place undue reliance on forward-looking statements. These forward-looking statements are made as of the date hereof and we assume no obligation to update or revise them to reflect new events or circumstances.
