

Brompton 2012 Flow-Through Limited Partnership

Issue Cost Amortization Schedule for Future Years

Limited partners of record at the date of dissolution of Brompton 2012 Flow-Through Limited Partnership are entitled to deduct their pro-rata share of the undeducted issue costs of the partnership on their income tax returns on the same basis as such expenses would have been deducted by the partnership were it not dissolved.

In each of the years indicated below, if you are an investor who has invested in the Brompton 2012 Flow-Through Limited Partnership, you should multiply the deduction per unit amount by the number of units owned in the partnership prior to the dissolution and enter the deduction on line 232, "Other deductions" of your T1 General Income Tax and Benefit Return form. For Quebec residents, the total amount available for deduction goes on line 250 – "Other deductions" of the Quebec Income Tax Return.

Taxation Year	Deduction Per Unit
2014	\$0.3875
2015	\$0.3875
2016	\$0.3875
2017	\$0.0595
