

BROMPTON FUNDS PROVIDES RESOURCE UPDATE

Toronto, January 25, 2017 – (TSX: OSP, OSP.PR.A) Investors and investment advisors are invited to listen to a recorded presentation on the resource market, hosted by Senior Portfolio Manager Laura Lau of Brompton Funds. Laura discusses the resource sector, in particular the improving supply and demand environment which is supportive of commodity prices and the attractive valuations of resource equities relative to the broader market. Brompton Oil Split Corp., Brompton 2015 Flow-Through LP, and Brompton Resource Fund each provide investors with significant exposure to resource equities and delivered strong performance in 2016. A link to the presentation recorded on January 24, 2017 has been posted to the Brompton Funds website at the following link:

You will usually pay brokerage fees to your dealer if you purchase or sell shares of the investment fund on the Toronto Stock Exchange or other alternative Canadian trading system (an "exchange"). If the shares are purchased or sold on an exchange, investors may pay more than the current net asset value when buying units of the investment fund and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning units or shares of an investment fund. An investment fund must prepare disclosure documents that contain key information about the funds. You can find more detailed information about the funds in the public filings available at www.sedar.com. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.

Commissions, trailing commissions, management fees and expenses all may be associated with mutual fund investments. Please read Brompton Resource Fund's prospectus before investing which is available from SEDAR at www.sedar.com. Mutual funds are not guaranteed, their values change frequently and past performance may not be repeated.
