BROMPTON SPLIT BANC CORP. COMPLETES TREASURY OFFERING

Toronto, March 1, 2019 – (TSX: SBC, SBC.PR.A) [Brompton Split Banc Corp.](#) (the “Company”) is pleased to announce that it has completed the previously announced treasury offering of class A shares and preferred shares (the “Class A Shares” and “Preferred Shares”, respectively) for aggregate gross proceeds of approximately \$20.5 million. The Class A Shares and Preferred Shares will continue to trade on the Toronto Stock Exchange under the existing symbols SBC (Class A Shares) and SBC.PR.A (Preferred Shares).

The Class A Shares were offered at a price of \$13.55 per Class A Share for a distribution rate of 8.9% on the issue price, and the Preferred Shares were offered at a price of \$10.00 per Preferred Share for a yield to maturity of 5.25%.⁽¹⁾ The Class A and Preferred Share offering prices were determined so as to be non-dilutive to the most recently calculated net asset value per unit of the Company (calculated as at February 14, 2019), as adjusted for dividends and certain expenses to be accrued prior to or upon settlement of the offering. The Class A share has generated a 25.1% per annum return over the past 10 years and has outperformed the S&P/TSX Composite Index by 16.0% per annum over that period. For information on return over the past 1,3 and 5 years and since inception, see the performance table below.

The Company invests in a portfolio (the “Portfolio”) consisting of common shares of the six largest Canadian banks: currently The Bank of Nova Scotia, National Bank of Canada, Royal Bank of Canada, The Toronto-Dominion Bank, Canadian Imperial Bank of Commerce and Bank of Montreal. In addition, the Company may hold up to 10% of the total assets of the Portfolio in investments in global financial companies for the purpose of enhanced diversification and return potential.

The syndicate of agents for the offering was led by RBC Capital Markets, CIBC Capital Markets, National Bank Financial Inc. and Scotiabank and includes BMO Capital Markets, TD Securities Inc., Canaccord Genuity Corp., GMP Securities L.P., Raymond James Ltd., Echelon Wealth Partners Inc., Industrial Alliance Securities Inc., Desjardins Securities Inc., and Mackie Research Capital Corporation.

⁽¹⁾ See performance table below

You will usually pay brokerage fees to your dealer if you purchase or sell shares of the Company on the TSX or other alternative Canadian trading system (an “exchange”). If the shares are purchased or sold on an exchange, investors may pay more than the current net asset value when buying shares of the Company and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning shares of an investment fund. An investment fund must prepare disclosure documents that contain key information about the fund. You can find more detailed information about the Company in its public filings available at www.sedar.com. The indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all distributions and do not take into account certain fees such as redemption costs or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.

Returns are for the periods ended January 31, 2019. Inception date November 15, 2005. The table above shows the Company's compound return on a Class A Share and Preferred Share for each period indicated compared with the S&P/TSX Capped Financials Index ("Financials Index"), the S&P/TSX Composite Index ("Composite Index") and the S&P/TSX Preferred Share Index ("Preferred Index"). The Financials Index is derived from the Composite Index based on the financials sector of the Global Industry Classification Standard. The Composite Index tracks the performance, on a market weight basis, of a broad index of large-capitalization issuers listed on the TSX. The Preferred Index is comprised of preferred shares listed and trading on the Toronto Stock Exchange that meet criteria relating to size, liquidity, and issuer rating. The Company invests in a passively managed portfolio comprised of six Canadian banks. The Company is not expected to mirror the performance of the indices, which have more diversified portfolios. The indices are calculated without the deduction of management fees, fund expenses and trading commissions, whereas the performance of the Company is calculated after deducting such fees and expenses. Further, the performance of the Company's Class A Shares is impacted by the leverage provided by the Company's Preferred Shares.
