Sub-Advisor

Nuveen Asset Management, LLC, specializes in the management of debt and equity strategies including senior loan portfolios with US\$262.3 billion assets under management as of 6/30/2021.

Manager

Founded in 2000, Brompton is an experienced investment fund manager with income focused investment solutions including exchange-traded funds (ETFs) and other TSX traded investment funds.

WHY INVEST?

- High level of capital preservation as Senior Loans have first priority of repayment and are secured by the issuer's assets
- Low interest rate risk as the floating rate coupons on Senior Loans protect investors from capital loss when interest rates rise
- Senior Loan Index has had positive returns in 27 of the past 29 years²
- Experienced Sub-Advisor: Nuveen Asset Management

INVESTMENT OBJECTIVES

- Provide monthly distributions, and
- Preserve capital.

The Fund was created to invest in an actively managed, diversified portfolio consisting primarily of short-duration floating rate senior corporate instruments, including senior loans and other senior debt obligations of North American non-investment grade corporate borrowers.

Please read the Fund's annual information form before investing.

You will usually pay brokerage fees to your dealer if you purchase or sell units of the Fund on the Toronto Stock Exchange or alternative Canadian trading system (an "exchange"). If the units are purchased or sold on an exchange, investors may pay more than the current net asset value when buying units of the investment fund and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning units of an investment fund. An investment fund must prepare disclosure documents that contain key information about the Fund. You can find more detailed information about the Fund in these documents. The indicated rates of return are the historical annual compounded total returns including changes in unit value and reinvestment of all distributions and do not take into account certain fees such as redemption costs or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.
