WHY INVEST?

- Actively managed portfolio of large-capitalization global dividend growth companies
- Global Dividend Growers have historically outperformed the MSCI World Index with lower volatility³
- Global equities provide opportunity for Canadians to diversify in sectors that are underrepresented in Canada
- Potential for capital appreciation for Class A shares due to leveraged exposure to the Portfolio
- Distributions:
 - Preferred Shares - Target of \$0.50 p.a. \$1.77 dividends declared since inception
 - Class A Shares - Target of \$1.20 p.a.⁴ \$4.25 distributions declared since inception

INVESTMENT OBJECTIVES

To provide holders of Preferred shares with fixed cumulative preferential quarterly cash distributions and to return the original issue price on the maturity date.

To provide holders of Class A shares with regular monthly cash distributions⁵ and the opportunity for capital appreciation.

Please read the Fund's annual information form before investing.

You will usually pay brokerage fees to your dealer if you purchase or sell shares of the Fund on the Toronto Stock Exchange or other alternative Canadian trading system (an "exchange"). If the units are purchased or sold on an exchange, investors may pay more than the current net asset value when buying shares of the investment fund and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning shares of an investment fund. An investment fund must prepare disclosure documents that contain key information about the Fund. You can find more detailed information about the Fund in the public filings available at www.sedar.com. The indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all distributions and do not take into account certain fees such as redemption costs or income taxes payable by any securityholder that would have reduced returns. Investment Funds are not guaranteed, their values change frequently and past performance may not be repeated.
