**The sales period for this overnight offering will end at 9:00 a.m. (ET) on Friday, January 7, 2022.** The offering is expected to close on or about January 13, 2022 and is subject to certain closing conditions including approval by the Toronto Stock Exchange (“TSX”).

The Class A Share and Preferred Share offering prices were determined so as to be non-dilutive to the most recently calculated net asset value per unit of the Company (“Unit”) (calculated as at December 30, 2021), as adjusted for dividends and certain expenses to be accrued prior to or upon settlement of the offering. The offering is being led by RBC Capital Markets.

The Company invests in a portfolio (the “Portfolio”) of common shares of the four Canadian life insurance companies on an approximately equal weight basis: Great-West Lifeco Inc., iA Financial Corporation Inc., Manulife Financial Corporation and Sun Life Financial Inc.

Over the last 3 years, the Class A Shares have delivered a 42.0% per annum total return based on net asset value (“NAV”) and the Preferred Shares have returned 6.4% per annum, as of December 31, 2021.<sup>(1)</sup>

The investment objectives for the Class A Shares are to provide holders with regular monthly cash distributions targeted to be at least \$0.075 per Class A Share and to provide the opportunity for growth in the net asset value per Class A Share.

The investment objectives for the Preferred Shares are to provide holders with fixed cumulative preferential quarterly cash distributions, currently in the amount of \$0.15625 per Preferred Share, and to return the original issue price to holders of Preferred Shares on April 29, 2024.
