Overview

This actively managed ETF seeks to provide: (i) stable monthly cash distributions; and (ii) a stable net asset value. The ETF actively invests in a portfolio consisting primarily of U.S. dollar denominated corporate preferred securities, trust preferred securities and other corporate debt. At least 75% of the ETF's portfolio (at the time of investment) consists of securities that are rated investment grade.

The Sub-Advisor, Flaherty & Crumrine, is the longest tenured U.S. investment firm focusing exclusively on managing portfolios of preferred securities for institutional investors. The Sub-Advisor will select a portfolio of preferred investments for the ETF, giving consideration to the opportunity for income, issuer and security diversification, credit quality and duration/interest rate sensitivity.

Investment Highlights: Preferred Securities

U.S. preferred securities offer:

- Primarily investment-grade securities, with higher yield than many other fixed income categories
- Historical outperformance compared to the S&P/TSX Preferred Share Index with lower volatility
- Low correlation of returns; effective tool to diversify portfolio returns and risk

Sub-Advisor and Manager

Sub-Advisor

Flaherty & Crumrine is the longest tenured U.S. investment firm focusing exclusively on managing portfolios of preferred securities for institutional investors. Established in 1983, Flaherty & Crumrine Incorporated specializes in US dollar denominated preferred securities and corporate debt instruments. The firm uses 30 years of proprietary data on over 1500 preferred securities to carry out intensive credit analysis, thorough vetting of securities' terms and structures, and active portfolio management, with the goal of exploiting pricing inefficiencies in the fixed income markets to provide attractive rates of return

Manager

Founded in 2000, Brompton is an experienced investment fund manager with income focused investment solutions including exchange-traded funds (ETFs) and other TSX traded investment funds. Our funds are designed to address investors' cash flow requirements and to provide them with value-added diversification strategies. Since inception, Brompton has paid out over \$2.8 billion in distributions. For those investors that do not require the regular cash flow, our funds also offer commission-free distribution reinvestment plans for additional units in the funds. For the level of service provided, our funds are known for their low management fees and costs.
