

DIVIDEND GROWTH SPLIT CORP. DECLARES CLASS A SHARE DISTRIBUTION

Toronto, July 22, 2022 – (TSX: DGS) Dividend Growth Split Corp. (“DGS”) is pleased to announce a distribution payable on August 15, 2022 to class A shareholders of record at the close of business on July 29, 2022 in the amount of \$0.10 per class A share.

This distribution for the class A shares of DGS is being announced for July as the net asset value per unit of DGS as at July 21, 2022 (after taking into account the payment of a cash distribution) was greater than \$15.00. In accordance with the articles for DGS, no distributions will be paid on the class A shares, if after payment of a cash distribution, the net asset value per unit would be less than \$15.00. Each month, DGS reviews whether the net asset value per unit meets this requirement in order to determine if a class A share distribution will be announced for such month.

DGS offers a distribution reinvestment plan (“DRIP”) for class A shareholders which provides class A shareholders with the ability to automatically reinvest distributions, commission free, and realize the benefits of compound growth. Class A shareholders can enroll in a DRIP program by contacting their investment advisor.
