**LIFE & BANC SPLIT CORP.
ANNOUNCES SUCCESSFUL OVERNIGHT OFFERING**

Toronto, July 20, 2022 – (TSX: LBS, LBS.PR.A) Life & Banc Split Corp. (the “Company”) is pleased to announce a successful overnight treasury offering of class A shares and preferred shares (the “Class A Shares” and “Preferred Shares”, respectively). Gross proceeds of the offering are expected to be approximately \$43.3 million. The offering is expected to close on or about July 27, 2022 and is subject to certain closing conditions. The Company has granted the Agents (as defined below) an over-allotment option, exercisable for 30 days following the closing date of the offering, to purchase up to an additional 15% of the number of Class A Shares and Preferred Shares issued at the closing of the offering.

The Class A Shares were offered at a price of \$8.65 per Class A Share for a distribution rate of 13.9% on the issue price, and the Preferred Shares were offered at a price of \$10.00 per Preferred Share for a yield to maturity of 5.6%.⁽¹⁾ The Class A Share and Preferred Share offering prices were determined so as to be non-dilutive to the most recently calculated net asset value per unit of the Company (“Unit”) (calculated as at July 14, 2022), as adjusted for dividends and certain expenses to be accrued prior to or upon settlement of the offering.

The syndicate of agents for the offering was led by RBC Capital Markets, CIBC Capital Markets, National Bank Financial Inc., and Scotiabank and included Hampton Securities Limited, Canaccord Genuity Corp., BMO Capital Markets, Raymond James Ltd., TD Securities Inc., iA Private Wealth Inc., Echelon Wealth Partners Inc., Manulife Securities Incorporated, Research Capital Corporation, and Richardson Wealth Limited.

The Company invests in a portfolio (the “Portfolio”) consisting of common shares of the six largest Canadian banks and the four major publicly traded Canadian life insurance companies:

Manulife Financial Corporation
Sun Life Financial Inc.
iA Financial Corporation Inc.
Royal Bank of Canada
Great-West Lifeco Inc.

Bank of Montreal
The Toronto-Dominion Bank
National Bank of Canada
The Bank of Nova Scotia
Canadian Imperial Bank of Commerce

Over the last 10 years, the Class A Shares have delivered an 18.8% per annum total return based on net asset value (“NAV”) and the Preferred Shares have returned 5.2% per annum, as of June 30, 2022.⁽¹⁾

About Brompton Funds

Founded in 2000, Brompton is an experienced investment fund manager with income focused investment solutions including exchange-traded funds (ETFs) and other TSX traded investment funds. ⁽¹⁾ See Performance table below. No cash distributions will be paid on the Class A Shares if, after the payment of the distribution by the Company, the net asset value per Unit (consisting of 1 Class A Share and 1 Preferred Share) would be less than \$15.00. Yield to maturity for the Preferred Share is based on maturity date of October 30, 2023.

A short form base shelf prospectus containing important detailed information about the securities being offered has been filed with securities commissions or similar authorities in each of the provinces and territories of Canada. Copies of the short form base shelf prospectus may be obtained from a member of the syndicate. The Company intends to file a supplement to the short form base shelf prospectus, and investors should read the short form base shelf prospectus and the prospectus supplement before making an investment decision. There will not be any sale or any acceptance of an offer to buy the securities being offered until the prospectus supplement has been filed with the securities commissions or similar authorities in each of the provinces and territories of Canada.

You will usually pay brokerage fees to your dealer if you purchase or sell shares of the Company on the TSX or other alternative Canadian trading system (an “exchange”). If the shares are purchased or sold on an exchange, investors may pay more than the current net asset value when buying shares of the Company and may receive less than the current net asset value when selling them.

There are ongoing fees and expenses associated with owning shares of an investment fund. An investment fund must prepare disclosure documents that contain key information about the fund. You can find more detailed information about the Company in its public filings available at www.sedar.com. The indicated rates of return are the historical annual compounded total returns including changes in share value and reinvestment of all distributions and do not take into account certain fees such as redemption costs or income taxes payable by any securityholder that would have reduced returns. Investment funds are not guaranteed, their values change frequently and past performance may not be repeated.
